

High Commission of India
Dar es Salaam

Advisory dated 14th July 2020

M/S Air Tanzania have proposed to operate, subject to approvals, 2 flights to and from Mumbai on 23rd and 25th July 2020 primarily to evacuate & Zambian and Ugandan citizens respectively stranded in India (Departure at 6 AM on both days). Utilizing this opportunity, High Commission of India wishes to evacuate more Indian citizens in Tanzania, who may be desirous of travelling to India for compelling personal and family reasons, provided necessary approvals are accorded by authorities in India. The State Government of Maharashtra normally insists that majority of the passengers must be those who are domiciled in the State. However, an effort would be made by the Mission to seek approvals for Indian citizens from all other States as well. However, this is not guaranteed. All interested Indian citizens are requested to immediately (by 12 noon on 16th July 2020) register themselves afresh with the Mission by email to cons2.desalaam@mea.gov.in giving their details in the specified format as given vide our advisory of 6th May 2020 available at Mission's website at

<https://hcindiatz.gov.in/advisory-6-5-2020-nnn.php>

as well as sending a signed copy of the undertaking posted vide our last advisory of 25th June 2020.

2. ATCL will charge \$ 650 per seat (economy) and \$ 1,550 for Business class. Infants will be charged \$90. However, intended travelers are advised to wait for a call from the High Commission before they approach ATCL to buy their tickets.
